“Slide Right “

“Slide Right “

Tall & Small Reproducible

Use “action words” to control the movement. Basic stroke movement practice should focus on position skills and movement rhythm.

Say, “Tall” or “Small” to touch start point and “Down” as you move. Fingertrace first to establish a rhythm then use the pencils to move with voices.

“Tall Down”

“Small Down”

Basic Strokes # 3 & # 4 Reproducible

Practice “hook around” and “roll around” strokes. Use action words to control the movement. Basic stroke movement practice should focus on position skills and movement rhythm.

Note that start dots are provided to allow several iterations each a little smaller.
